

The City Council of Scherpenheuvel-Zichem asked Ingenium to establishing a maintenance file.

The Municipality of Scherpenheuvel-Zichem charged Ingenium with the establishment of a maintenance file for seven municipal buildings.

- Municipal Swimming Pool
- Sports Hall Averbode
- Sports Hall Scherpenheuvel
- Library
- Town Hall Scherpenheuvel-Zichem
- Multifunctional Building Schoonderbuken
- Cultural Centre Den Egger

A file for maintenance, technical management and establishment of a comprehensive guarantee has been elaborated. There is only one maintenance firm for all sites, so that the city government can address a single point of contact. The service level agreements have been established, taking account of the purpose of the buildings.
