

## Lidl DC Wevelgem and Sint-Niklaas feasibility PV installation

Lidl wishes to do a feasibility study for the installation of a PV installation (560 kW) on the extension (16.000 m<sup>2</sup>) of the Lidl distribution centre in Gullegem-Wevelgem.

Lidl also asked for a feasibility study of a PV installation for the distribution centre in Sint-Niklaas.

In the meantime, the implementation of Sint-Niklaas has started with 2 phases of 930 kWp (Total capacity: 1980 kWp).
